

Enjoy breakfast and a riveting conversation

with **Mimi Baird**, author of *He Wanted the Moon: The Madness and Medical Genius of Dr. Perry Baird and His Daughter's Quest to Know Him*

This book is a mid-century doctor's raw, unvarnished account of his own descent into madness, and his daughter's attempt to piece his life back together and make sense of her own.

Brad Pitt's Plan B and Cross Creek Pictures have acquired the movie rights to "He Wanted the Moon," with the screenplay being written by **Tony Kushner** (Munich, Lincoln).
