with Dr. Janice LeBel, DMH Child, Youth & Family Services

Join us for the August Statewide virtual meeting with Dr. Janice LeBel, DMH Child, Youth & Family Services.

Dr. LeBel will provide an overview of IRTP (Intensive Residential Treatment Program) / CIRT (Clinically Intensive Residential Treatment) services: what they are, how they came to be, how they have evolved, and the change in the referral process to these statewide services that was initiated in June 2025.
