

## Are you looking for behavioral health services for your child or a child you work with?

Are you unsure if insurance covers needed services? The experts at the **Autism Insurance Resource Center (AIRC)** can help (*even if your child **doesn't** have autism*)!

Many Massachusetts private health insurance plans now cover certain Behavioral Health services for Children and Adolescents. **This includes services such as intensive care coordination and in-home therapy.**

Knowledgeable experts at the AIRC can:

- Answer questions about insurance coverage
- Advise on how to access treatment and/or get help with co-pays, deductibles, etc.
- Provide informational presentations to your group upon request

For **FREE** assistance call **774-455-4056** or send an email to [AIRC@umassmed.edu](mailto:AIRC@umassmed.edu) or visit their [website: https://massairc.org/contact/](https://massairc.org/contact/)
