

Family Support Coordinator

Parent/Professional Advocacy League is a small but impactful nonprofit working to make things better for children with mental health needs and their families. Based in Waltham and Worcester, our team works with families across the state who need help navigating services in behavioral health, juvenile justice and education. Our work depends on people who are committed, caring and self-motivated and can be both a self-starter and a great team member.

The Family Support Coordinator is a full time position based in the Worcester office. The FSC will work with the Program Manager to organize and oversee family support staff and activities, organize workshops and other events and represent PPAL at various meetings.

The Family Support Coordinator **must** have the experience gained by raising a child or youth with emotional, behavioral or mental health needs.

Duties:

- Provide information and referral to families and professionals around resources and services
- Empower families to advocate for their own child and family by providing and/or creating skill-building opportunities
- Supervise and provide oversight for family support specialists
- Support the orientation and professional development of family support specialists
- Train staff on support group facilitation and facilitate groups when needed
- Assist with focus groups, needs assessment and data collection when needed
- Participate in development and production of reports on family support on quantitative and qualitative data
- Assist with community events, activities and outreach
- Assist in day to day office management.
- Contribute to PPAL monthly newsletter
- Attend PPAL staff meetings & trainings
- Assist with special projects, as needed.

Qualifications:

- Experience as parent support group leader preferred
- Experienced advocate (3-5years) with the children's mental health system and other child-serving systems.
- Significant experience in developing and/or delivering trainings and workshops
