Bureau of Health Professions Licensure

The Bureau of Health Professions Licensure (HPL) investigates complaints and concerns regarding licensed professionals (licensees) on behalf of the Boards of Registration (Boards) that license registered Nurses, Licensed Practical Nurses, Certified Registered Nurse Anesthetists, Certified Nurse Midwives, Certified Nurse Practitioners, Psychiatric Clinical Nurse Specialists, Clinical Nurse Specialists, Dentists, Dental Hygienists, and Dental Assistants, Pharmacists, Pharmacy Interns and Technicians and Pharmacies, Nursing Home Administrators, Physician Assistants, Respiratory Therapists, Perfusionists and Genetic Counselors.

When information from a complaint investigation indicates that a licensee has violated a law or regulation relating to the particular profession, the licensing board may take administrative action against the licensee, ranging from issuing an advisory letter, requiring a licensee to take remedial education, or discipline of the individual's license to practice, e.g., stayed probation, reprimand, remedial education, probation, censure, suspension, and revocation. Each Board has its own regulations and practices related to discipline.

The HPL and the Boards of Registration **cannot** represent you in civil matters in a court of law or other tribunal to recover fees paid or to seek remedies for injuries. You may wish to consult a private attorney regarding these matters.

ISSUES THAT ARE NOT WITHIN THE AUTHORITY OF THE HPL OR THE BOARDS OF REGISTRATION

- Fee disputes, such as payment for broken or missed appointments
- Billing disputes, such as the amount a licensee charges for services
- Personality conflicts

COMPLAINT FORM INSTRUCTIONS

- To file a complaint, you must submit a legible, signed and dated complaint that identifies the person or entity who is the subject of your complaint.
- If your complaint is about treatment you received, treatment or medical records are required to process your complaint. The signature of the patient or legal guardian to the *Authorization for Release of Records and Referral of Complaint* section is necessary.
- Use a separate form for each person or entity against whom you wish to file a complaint.
- Be **specific** in your complaint description, and include copies of pertinent medical records, correspondence, contracts and any other documents that support your complaint.
- HPL will send written notification of any action on your complaint.
- If the allegations contained in your complaint are determined to be possible violations of applicable laws and/or regulations, a complaint will be opened for investigation.
- If your complaint is opened and assigned for investigation, a copy of the complaint will be provided to the health care licensee or entity.
- HPL may, in its discretion, investigate an anonymous complaint if the complaint is in writing; if the complaint allegations constitute violations of law or regulations warranting Board action; if preliminary inquiry reveals sufficient information to determine that the allegations may be true; and if proving the allegations does not require the identification and/or testimony of the person filing the complaint.
