MOVING TO YOUNG ADULT LIFE: TRANSITION PLANNING AND POST SECONDARY OPTIONS

Learn about transition planning, a formal process to help students with special needs think about what they want to do after high school, how to get there, and what supports and services can help them along the way.

**August 13
2:00 - 3:30 PM
on Zoom**

ABOUT PARENT/PROFESSIONAL ADVOCACY LEAGUE

The Parent/Professional Advocacy League, Inc. (PPAL) is a statewide family organization dedicated to improving the mental health and well being of children, youth, and families through support, education, and advocacy.

Parent Support

We offer 1:1 and group support for families of children with mental and behavioral health needs

Education

PPAL offers workshops and trainings for parents and professionals

Advocacy

PPAL works with parents and policy groups to improve children's mental health
