ABOUT PARENT/PROFESSIONAL ADVOCACY LEAGUE

The Parent/Professional Advocacy League, Inc. (PPAL) is a statewide family organization dedicated to improving the mental health and well being of children, youth, and families through support, education, and advocacy.

Parent Support

We offer 1:1 and group support for families of children with mental and behavioral health needs

Education

PPAL offers workshops and trainings for parents and professionals

Advocacy

PPAL works with parents and policy groups to improve children's mental health
